

SINGLE EQUALITY POLICY

Policy reviewed December 2015

Next review December 2017

Aims

We aim to establish a caring school community, where all pupils are valued and can develop a love of learning.

We strive to support our pupils to:

- Be healthy
- Stay safe
- Enjoy and achieve in their learning
- Make a positive contribution
- Achieve economic well-being

Our Philosophy

Our School is committed to the implementation of the United Nations Convention on the Rights of the Child. We strive to be a Right's Respecting School in all that we do.

We believe that all members of the school community have rights and responsibilities. Everyone at school is important and is to be valued. We expect each individual to respect other individuals, their families, their culture and beliefs. We aim to be courteous and fair in our dealings with each other and the children.

1. Equality into Policy and Practice

As well as the specific actions set out in this plan, the school operates equality of opportunity in its day to day practice in the following ways:

➤ **Teaching and Learning**

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, we will:

- ❖ use contextual data to improve the ways in which we provide support to individuals and groups of pupils;
- ❖ monitor achievement data by ethnicity, gender and disability and action any gaps;
- ❖ take account of the achievement of all pupils when planning for future learning and setting challenging targets;
- ❖ ensure equality of access for all pupils and prepare them for life in a diverse society;
- ❖ use materials that reflect the diversity of the school, population and local community in terms of race, gender and disability, without stereotyping;
- ❖ promote attitudes and values that will challenge racist and other discriminatory behaviour or prejudice;
- ❖ provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures;
- ❖ seek to involve all parents/carers in supporting their child's education;
- ❖ encourage classroom and staffroom discussion of equality issues which reflect on social stereotypes, expectations and the impact on learning;
- ❖ include teaching and classroom-based approaches appropriate for the whole school population, which are inclusive and reflective of our pupils.

➤ **Admissions and Exclusions**

- ❖ Our admissions arrangements are fair and transparent, and do not discriminate on race, gender, disability or socio-economic factors.

- ❖ Exclusions will always be based on the school's Behaviour Policy. We will closely monitor exclusions to avoid any potential adverse impact and ensure any discrepancies are identified and dealt with.

2. Equal Opportunities for Staff

We are committed to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment. All staff appointments and promotions are made on the basis of merit and ability and in compliance with the law. We ensure, wherever possible, that the staffing of the school reflects the diversity of our community.

As an employer we will ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce.

Equality aspects such as gender, race, disability, sexual orientation, gender re-assignment and faith or religion are considered when appointing staff or re-evaluating the staffing structure, to ensure decisions are free of discrimination.

Actions to ensure this commitment is met include:

- monitoring recruitment and retention, including bullying and harassment of staff;
- continuous professional development opportunities for all staff;
- Leadership Team support to ensure equality of opportunity for all.

3. Equality and the Law

Crowmoor Primary School is committed to developing a Single Equality Scheme that incorporates Disability, Race, Gender, Religion or Belief, Sexual Orientation, gender reassignment, pregnancy or maternity as detailed in the Equality Act 2010.

Race Equality

The definition of race includes colour, nationality and ethnic or national origins. The Single Equality Act 2010 requires the school to have due regard to the need to:

- Ensure all school pupils/stakeholders are not singled out for different and less favourable treatment from that given to other pupils/stakeholders;
- Pupils/stakeholders are not segregated by race – direct discrimination;

Disability Equality

Definition of Disability

The Equality Act 2010 defines a disabled person as someone who has 'a physical or mental impairment which has a substantial or long-term adverse effect on his or her ability to carry out normal day-to-day activities'. Some specified medical conditions such as HIV, multiple sclerosis and cancer (although not all cancers) are considered as disabilities regardless of their effect.

The Act sets out details of matters that may be relevant when determining whether a person meets the definition of disability. Long term is defined as lasting, or likely to last, for at least 12 months.

The Schools Duty

The Act places a duty on schools not to behave unlawfully towards pupils/stakeholders who have a disability:

- A school will not treat a disabled person less favourably simply because that pupil/stakeholder is disabled – direct discrimination;
- A school must not do something which applies to all pupils/stakeholders but is more likely to have an adverse effect on disabled pupils/stakeholders only – indirect discrimination;
- A school must not harass someone because of their disability - harassment;
- A school must not discriminate against someone because of their disability – discrimination arising from disability;

The Act places a duty on schools to carry out accessibility planning for disabled pupils, staff and those using the services provided by schools.

Schools must implement accessibility plans which are aimed at:

- increasing the extent to which disabled pupils can participate in the curriculum;
- improving the physical environment of schools to enable disabled pupils/stakeholders to take better advantage of education, benefits, facilities and services provided;
- Improving the availability of accessible information to disabled pupils/stakeholders.

Gender Equality

The Act places a duty on schools to ensure that pupils/stakeholders of one sex are not singled out for less favourable treatment from that given to other pupils/stakeholders.

Sexual Orientation Equality

The Act requires schools to ensure that pupils from gay, lesbian or bi-sexual parents are not discriminated against.

Pregnancy and Maternity Equality

The Single Equality Act requires schools to protect stakeholders from discrimination because of pregnancy and maternity.

Gender Reassignment Equality

Definition of Gender Reassignment

Anyone who is undergoing, who has undergone or who is proposing to undergo a process (or part of a process) of reassigning their sex by changing physiological or other attributes.

The Act requires schools to ensure that gender variant pupils and or children of transgender parents are not singled out for different and less favourable treatment than that given to other pupils.

Single Equality Act 2010 places a single Public Sector Equality Duty (PSED) or general duty on Schools. The school will therefore:

- ❖ Eliminate discrimination and other conduct that is prohibited by the Act;
- ❖ Advance equality of opportunity between people who share a protected characteristic and people who do not share it;
- ❖ Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it.

4. Consultation and Involvement

It is a requirement that the development of this plan and the actions within it have been informed by the input of staff, pupils and parents/carers. We have achieved this by using the following to shape the plan:

- ❖ feedback from parental questionnaires and parent-teacher consultations;
- ❖ input from staff surveys and through staff meetings/INSET;
- ❖ feedback from the School Council, PSHE lessons, whole school surveys on pupils' attitudes to self and school;
- ❖ issues raised in annual reviews or reviews of progress on Individual Education Plans;
- ❖ feedback at Governing Body meetings.

5. Roles and Responsibilities

➤ The Role of the Governing Body

- ❖ The Governing Body has set out its commitment to equal opportunities in this plan and it will endeavour to ensure that the school is fully inclusive to pupils/stakeholders, and responsive to their needs based on race, gender and disability.
- ❖ The Governing Body seeks to ensure that people are not discriminated against when applying for jobs at the school on grounds of race, gender or disability.
- ❖ The Governing Body takes all reasonable steps to ensure that the school environment gives access to people with disabilities, and also strives to make school communications as inclusive as possible for parents/carers and pupils.
- ❖ The Governing Body welcomes all applications to join the school, whatever a child's socio-economic background, race, gender or disability.
- ❖ The Governing Body ensures that no child is discriminated against whilst in the school on account of their race, sex or disability.

➤ The role of the Headteacher

- ❖ It is the Headteacher's role to implement the school's Equality Plan and they are supported by the Governing Body in doing so.
- ❖ It is the Headteacher's role to ensure that all staff are aware of the Equality Plan and that teachers apply these guidelines fairly in all situations.
- ❖ The Headteacher ensures that all appointments panels give due regard to this plan, so that no-one is discriminated against when it comes to employment or training opportunities.
- ❖ The Headteacher promotes the principle of equal opportunity when developing the curriculum, and promotes respect for other people and equal opportunities to participate in all aspects of school life.
- ❖ The Headteacher treats all incidents of unfair treatment and any incidents of bullying or discrimination, including racist incidents, with due seriousness.

➤ The role of staff (teaching and non-teaching)

- ❖ All staff will ensure that all pupils/stakeholders are treated fairly, equally and with respect, and will maintain awareness of the school's Equality Plan.
- ❖ All staff will strive to provide material that gives positive images based on race, gender and disability, and challenges stereotypical images.

- ❖ All staff will challenge any incidents of prejudice, racism or homophobia, and record any serious incidents, drawing them to the attention of the Headteacher.
- ❖ Teachers support the work of support staff and encourage them to intervene in a positive way against any discriminatory incidents.

6. Tackling Discrimination

Harassment on account of any of the above is unacceptable and is not tolerated within the school environment.

All staff are expected to deal with any discriminatory incidents that may occur. They are expected to know how to identify and challenge prejudice and stereotyping; and to support the full range of diverse needs according to a pupil's/stakeholders individual circumstances.

Racist and homophobic incidents and other incidents of harassment or bullying are dealt with by the member of staff present. All incidents are reported to the Headteacher, with racist incidents reported to the Governing Body termly and to the Local Authority annually.

Harassment on grounds of race, gender, disability, sexual orientation or other factors such as socio-economic status, can take many forms including verbal or physical abuse, name calling, exclusion from groups and games, unwanted looks or comments, jokes and graffiti.

A racist incident is defined by the Stephen Lawrence Inquiry Report (1999) as:

'any incident which is perceived to be racist by the victim or any other person'.

Types of discriminatory incidents that can occur are:

- ❖ physical assault against a person or group because of their colour, ethnicity, nationality, disability, sexual orientation or gender;
- ❖ use of derogatory names, insults and jokes;
- ❖ racist, sexist, homophobic or discriminatory graffiti;
- ❖ provocative behaviour such as wearing racist, sexist, homophobic or discriminatory badges or insignia;
- ❖ bringing discriminatory material into school;
- ❖ verbal abuse and threats;
- ❖ incitement of others to discriminate or bully due to victim's race, disability, gender or sexual orientation;
- ❖ discriminatory comments in the course of discussion;
- ❖ attempts to recruit others to discriminatory organisations and groups;
- ❖ ridicule of an individual for difference e.g. food, music, religion, dress;
- ❖ refusal to co-operate with other people on grounds of race, gender, disability or sexual orientation.

7. Review of Progress and Impact

We make ongoing assessments of pupils' learning and use this information to track pupil progress. As part of this process, we regularly monitor achievement by ethnicity, gender and disability, to ensure that all groups of pupils are making the best possible progress, and take appropriate action to address any gaps.

In line with legislative requirements, we will review progress against our Equality Plan annually and review the entire plan and accompanying action plan on a three year cycle.

The school will continue to give greatest consideration and resources to those areas it assesses as having the greatest need. Improving pupil achievement where differential is found to exist and promoting an inclusive environment are areas where particular attention will be focused.

Through its auditing process and the development of this plan, including taking account of the views of those consulted, the school Governing Body has identified that there are no equality and diversity issues requiring significant action over the three years of the Plan. In the light of this the school has determined that the key action is to ensure that curriculum planning and resources will reflect the embodiment of equality across all subjects.

8. Publication

In order to meet the statutory requirements to demonstrate we are complying with the Public Sector Equality Duty we will:

- ❖ publish our Equality Action Plan on the school website;
- ❖ raise awareness of the plan through the school newsletter, assemblies, staff meetings and other communications;
- ❖ ensure hard copies are available on request.
