

Here's the normal homework I set each week. This sheet contains the homework for this week, next week and the holidays. I will add the answers to the website each week so you can see how you are getting on. Well done for completing it; with the school closed it is even more important that you continue - remember, it will only help you personally when you return to school.

Homework (Booster Books) w/c 16.03.20
