Friday 3rd July 2020

Dear Parents/Carers,

As your child nears the end of their first year at school, I would like to take this opportunity to thank you for all your support. I hope that you have enjoyed being able to see the journey that your child has taken via our online journal Tapestry. It has been great seeing the things that you have shared from home, as well as being able to share your comments with your child. As the term is ending I will be creating a PDF of your child's journal that will be available for you to download next week. I have also created a zip file of videos that cannot be included in the PDF. At the end of July, your child's account will no longer be live and so you will have no other access to the journal apart from these downloads. To download your own copy of the journal and videos onto a tablet or other device please visit www.eylj.org and log in using your registered email address and password. You can access the journal and videos by clicking your name at the top right corner, where you will see the option to download. You cannot access the downloads via the app and will need to go to the browser version of Tapestry.

Please note that these downloads are only available until 31/07/2020 after which, you will no longer be able to see the option to download. Due to the size of the downloads, it is recommended that you complete this using a WiFi connection and not mobile data.

Should you require any help in accessing your account or do not have access to a tablet, computer or WiFi, please let me know via the class email, beech@crowmoorschool.co.uk and I will be more than happy to help. All journals will be downloaded and kept on file at school so should you miss the deadline or wish to provide me with a memory stick to save it onto, this can be done in September when all children return to school.

Thank you again for your support and have a fantastic Summer Break.

Miss B Jones
