

Tasks for Key Stage 1: Chestnut and Elm Class - Mrs Dowell and Mrs Richards

See also www.crowmoorschool.co.uk Elm and Chestnut Class and Homework page.

We will update the homework tasks fortnightly.

Maths

Mathletics: all children have their own log-ins either in their reading diary or homework books. You will have work assigned weekly. I can see who has been logging into Mathletics – Well done!

Times tables

Times tables will help you in all areas of your Maths. Can you continue to learn your tables: 2x, 5x and 10x. Hit the button is a great site to use: <https://www.topmarks.co.uk/maths-games/hit-the-button>

My Times Tables		
2 times table	5 times table	10 times table
0 x 2 = 0	0 x 5 = 0	0 x 10 = 0
1 x 2 = 2	1 x 5 = 5	1 x 10 = 10
2 x 2 = 4	2 x 5 = 10	2 x 10 = 20
3 x 2 = 6	3 x 5 = 15	3 x 10 = 30
4 x 2 = 8	4 x 5 = 20	4 x 10 = 40
5 x 2 = 10	5 x 5 = 25	5 x 10 = 50
6 x 2 = 12	6 x 5 = 30	6 x 10 = 60
7 x 2 = 14	7 x 5 = 35	7 x 10 = 70
8 x 2 = 16	8 x 5 = 40	8 x 10 = 80
9 x 2 = 18	9 x 5 = 45	9 x 10 = 90
10 x 2 = 20	10 x 5 = 50	10 x 10 = 100
11 x 2 = 22	11 x 5 = 55	11 x 10 = 110
12 x 2 = 24	12 x 5 = 60	12 x 10 = 120

Number Bonds

It would be really helpful if you learn all of your number bonds up to 20, 50 and 100. This will help you a lot when you go into your new class in September.

Science

Here's another fun science activity;

SCAVENGER SCIENCE

1 TRY THIS INDOORS Make a shelter

Collect some different materials together from indoors (e.g. foil, card, plastic, cotton) and/or outdoors (e.g. sticks, leaves). Use the materials to make a waterproof mini shelter for a toy. You could start by making a framework like the one in the picture and then put different materials over it. Once the shelter is finished, put a small toy inside and spray or drip water over the top. Try changing the material to find out which one is best at keeping the toy dry.

You will need

- * Collection of materials (e.g. foil, plastic, card, cotton, leaves)
- * Jug of water
- * Small toy
- * Egg box or other small container
- * Paper and glue

WHAT DO YOU NOTICE?

Things to talk about ...

Which materials are best at keeping the toy dry? Why do you think this is? Which materials let the water through? Do they let the water through straight away or after a bit of time? Which materials soak up the water?

NB if you are doing this indoors, put a tray or plastic sheet under the shelter to stop water going on the floor!

Let us know how you get on!

elm@crowmoorschool.co.uk or chestnut@crowmoorschool.co.uk

Transition activities

- Write a letter to your new class teacher telling them all about yourself. You could include: hobbies, likes and dislikes and interesting facts about yourself.
- Draw a detailed self-portrait-It's useful to use a mirror to help you look at your features.
- Hopes and dreams for next year. What do you want to achieve in the next school year?
- Sports day- Around this time of year we would be having our school sports day. Can you take part in your own sports day at home? You need to include a running race, obstacle race and an egg and spoon race.

It would be lovely to see all of your wonderful work, please send any work into the class email and the class teacher can share this with your child's next class teacher.

Note for Parents

In the event of needing to contact us please do so through the Elm Class or Chestnut Class email address elm@crowmoorschool.co.uk or chestnut@crowmoorschool.co.uk with our name in the subject title. We would love to receive some messages from the children or photos of any projects they have done!

We will continue to utilise the school website 'homework' page – please keep an eye out for developments.

We are conscious that some children will be displaying anxiety and will be scared. If this is the case then we would suggest it is more important that they remain in a good place emotionally. We believe that this homework can be accessed by all and we would recommend they dip into the parts that interest and motivate. Please ensure they continue to read each day though.

In the meantime, keep safe. Thank you for reading this and ensuring your child reads the updates and carries out the work – your support is invaluable.

If you require hardcopies of any of the set homework please contact the office (admin@crowmoorschool.co.uk); they will inform us and we'll support you by producing packs that you can collect from the table outside the office each week.

Take care,

Mrs Dowell and Mrs Richards
