Dear Parent/Carer,

I am writing to inform you of our plans to share our Christmas performances with you.

Unfortunately, this year we are not able to invite you into school but we felt it was important to still share with you what we have been doing, after what has been a particularly trying year!

Reception and Key Stage One pupils have been working hard on a short Christmas performance that will be filmed and all pupils in Key Stage Two have been learning a song to perform also, again this will be filmed.

We wanted to share these videos with you in the safest and most secure way. We plan if we have consent from parents/carers to upload the videos to Vimeo. You will be able to log in securely to Vimeo and view the videos if you consent. Performances will be available on Vimeo for a month.

Videos will only be viewable by Parents/Carers who have given consent.

The videos are not be shared on any platform, including social media. Parents/Carers must not screen record the videos either or take any form of screen shots, you must only view them on the Vimeo platform.

If we are informed of any parents/carers breaching our Data and Child Protection policies all performances will be taken down immediately and parents/carers will be contacted.

Please complete the reply slip below, if you require any further information, please contact the office.
Yours sincerely

Miss H Cave
