

Remote Learning Timetable for Willow Class w/c 05.07.21

Please find the overview timetable for this week. If you click on the links it will direct you to the tutorials.

More in-depth and daily guidance will be added to the website 'NEWS' and 'HOMEWORK' pages each morning. Please encourage and ensure your child keep up as the new work each day will be on the assumption that they completed the previous day's related work.

This work is similar to the lessons I would have delivered in school had the children been present.
