

# Safeguarding Policy for Children

## January 2025

# Safeguarding at Crowmoor Primary School

Our school has a safeguarding policy for staff, families and governors. This child friendly policy is designed for you.

It will help you decide what could be a problem and where to get help. You might want to talk to someone about something that is upsetting you.

We have people in school who are trained to help you. It is important that you know where to get help if you are worried or unhappy about something.

## Safeguarding means we will:

Protect you from harm

Make sure nothing stops you from being happy

Make sure you are looked after safely

Make sure you have the best chances in life

## Designated Safeguarding Leads

You can talk to any adult in school, but some staff are responsible for making sure you are safe and well cared for.

## How we will try to protect you

We will provide a safe and secure environment for you to learn in progress

We help to ensure that you are safe at home as well as at school

We think it is important for you to know where to get help if you are worried or unhappy about something

# Tell someone

## We will always listen

Has somebody hurt you?

Has somebody touched you in a way that you don't like?

Has somebody shown you pictures you don't like?

Is somebody trying to make you do something you don't want to?
