

COMPLAINTS POLICY

Reviewed October 2020

Review October 2021

General Principles

We will treat all concerns and complaints seriously, courteously and with respect.

We always aim to maintain positive relationships with parents and carers and do our best to address any concerns as soon as they arise. However, we are aware that in some instances a parent/carer may wish to make a complaint.

An anonymous concern or complaint will not be investigated under this procedure.

To enable a proper investigation, concerns or complaints should be brought to the attention of the school as soon as possible. In general, any matter raised more than 3 months after the event, being complained of, will not be considered.

We will advise parents and others of Crowmoor Primary School procedures for dealing with their concerns. In return, we expect parents and other complainants to behave respectfully towards all members of the Crowmoor Primary School community. If the complainant is under the influence of alcohol or drugs, they will not be allowed access onto the school premises. In particular, any disagreement with Crowmoor Primary School and its staff should not be expressed and discussed inappropriately for example, on social media, in public or in front of pupils. We ask that no recording equipment/phone recording be used in meetings, permission will not be given by the School to record meetings and mobile phones are not allowed in school.

We also respectfully ask that anyone who does have a complaint talks to us first so that we can respond fully and accurately to the issue raised and confirm/clarify the circumstances and information surrounding it.

Crowmoor Primary School procedures comply with the Education Regulations 2010. The policy follows guidance issued by Department for Education – *refer to DfE Guidance*

Raising a concern or complaint

Please label all letters submitted to the office, which raise a concern or complaint with the following information:

'Concern'/'Complaint'

'Private and Confidential'

'Open by addresses only'

so that confidentiality can be maintained by the Headteacher/Chair of Governors.

1. Informal Stage

It is normally appropriate to communicate directly with the member of staff concerned. This may be by letter, by telephone or in person by appointment, requested via the School Office. Many concerns can be resolved by simple clarification or the provision of information and it is anticipated that most concerns or complaints will be resolved by this informal stage.

We encourage anyone with a concern or complaint to talk to us as soon as possible so that school can endeavour to resolve it quickly and effectively at an early stage.

In the case of serious concerns it may be appropriate to address them directly to the Head Teacher. If you are uncertain about who to contact, please seek advice from the School Business Manager or Chair of Governors.

2. Formal Stage

If your concern or complaint is not resolved at the informal stage you may choose to put the complaint in writing and pass it to the Head Teacher, who will be responsible for ensuring that it is investigated appropriately. If the complaint is about the Head Teacher, your complaint should be passed to the school office for the attention of the Chair of the Governing Body.

A Complaint Form is provided to assist you and **should** be used for the submission of **all** formal complaints.

You should include details which might assist the investigation, such as names of the potential witnesses, dates and times of events, and copies of relevant documents. It is very important that you include a clear statement of what you would **like the outcome of the complaint to be**. Please pass the completed form, in a sealed envelope to the School Office. The envelope should be addressed to the Head Teacher, or to the Chair of the Governing Body, as appropriate.

Stage 1

The complaint will be heard and investigated by the Head Teacher (if not the subject of the complaint, when it will be undertaken by the Chair of Governors) and he/she **may** invite you to a meeting to clarify your concerns and to explore the possibility of an informal resolution. If you accept that invitation, you may be accompanied by a friend, if you wish, to assist you in explaining the nature of your concerns (you must indicate in advance of the meeting if the person accompanying you is a professional advocate, an elected councillor or legally qualified). It is possible that your complaint will be resolved through this meeting with the Head Teacher. If not, arrangements will be made for the matter to be fully investigated, using the appropriate procedure. In any case you should learn in writing, **usually** within 5 school days of the school receiving your formal complaint form, of how the school intends to proceed. This notification should include an indication of the anticipated timescale (if there is no Chair or Vice-Chair in post this will be reflected in the timescale). Any investigation will begin as soon as possible and when it has been concluded, you will be informed in writing of its conclusion. This should be within 15 school days, following written notification, save in exceptional circumstances.

The person investigating your complaint may decide that we have done all we can to resolve the complaint, in which case we may use our discretion to close the complaint at this point. Please see the 'Closure of Complaints' section for further information about this process.

Stage 2 – consideration by a Governors Complaints Committee

If the complaint has already been through Stage 1 and you are not happy with the outcome purely as a result of the way in which the complaint has been handled, you can take it further to the Governing Body Complaints Committee. It is there to review how the complaint has been investigated, not the decision arrived at and to determine whether this has been conducted fairly. It is there to establish facts and make recommendations which will reassure you that we have taken the complaint seriously.

Any such request must be made in writing to the Chair of the Governing Body Complaints Committee, within 10 school days of your receiving notice of the outcome of the decision by the

Head Teacher or Chair of Governors, and include a statement specifying any perceived failures to follow the procedure in reaching the decision.

A Complaint Review Request Form is provided to assist you and **should** be used for **all** Governing Body Complaints Committee formal complaints review requests.

The person investigating your complaint may decide that we have done all we can to resolve the complaint, in which case we may use our discretion to close the complaint at this point. Please see the 'Closure of Complaints' section for further information about this process.

Governing Body Complaints Committee Review Process

Any review of the process followed by Crowmoor Primary School will be conducted by a panel of 3 members of the Governing Body Complaints Committee. This will usually take place within 20 school days of dispatch of the acknowledgement letter unless a longer period is required, in which case the Chair will inform you of the reason why. The review will normally be conducted through a consideration of written submissions. The Committee will not deal with any new issues or concerns at this stage by the complainant and will refer to the original submission in the Complaint Form submitted. The Chair of the Complaints Committee will notify the complainant in writing, with the Committee's responses within 7 school days of the meeting. This is the last stage of the School Complaints process.

What to do if the complaint is about the Head Teacher

Complaints about the Head Teacher that the complainant cannot or does not wish to raise directly with the Head should, in the first instance, be sent to the Chair of Governors who will investigate the matter as set out above as required.

Closure of complaints

After the stages above have been completed we will close the complaint.

If the complainant is not completely satisfied with how the complaint has been handled, the complainant has the the right to contact the Department for Education.

Managing Serious, Vexatious and Persistent Complaints

Crowmoor Primary School will follow advice and comply with guidance as set out in Department for Education Guidance.
