**Instructions:** Sing along with this song. At the end of the song, you can hear two parts – choose one and keep going to the end!

*Sing it together, Bring in the sunshine*

*Whatever the weather*

*Won't get us down, down, down.*

*Sing it together, Bring in the sunshine*

*Whatever the weather*

*Won't get us down.*

I've been feeling like this rain will never end

I've been feeling like the winter's coming round again

Something tells me that it going to be better

Feel the rhythm and I hear the music ringing out.

*Sing it together, Bring in the sunshine*

*Whatever the weather*

*Won't get us down, down, down.*

I've been scanning the horizon

I've been waiting for the dawn to come

Just biding my time again

Been listening for the sun.

*Sing it together, Bring in the sunshine*

*Whatever the weather*

*Won't get us down, down, down.*

I'm just stuck in the rain, But I'm feeling no pain

I'm just singing my song, Brighter days will come along.
