Year 5 Spring Term Project

Listen to "Cressida Cowell" telling each chapter of her book – "How To Train Your Dragon" or watch the film on TV.

Design and make a hut for Hiccup and his pet dragon — Toothless — to live in. You should draw your design and label it. Then you should make it. You can use anything you have at home such as cereal boxes or lego or for those of you who enjoy a real challenge make it from wood or objects from a walk such as twigs, leaves and cones. Let your imagination go and have fun. Please send a photo of your creation via the class email. I look forward to seeing what you have made. We could also take a look on one of our video links.

Put all of your work in your homework book please and bring it to school when you return.
