

Dear Parent/Guardian,

Shrewsbury Town in the Community are delighted to announce that following the success of our Christmas Provision, we will once again be offering activities for primary school children who qualify for free school meals over the Easter holidays as part of the Shropshire Council HAF Programme.

These activities are FREE with lunch and nutritious snacks provided on each day.

We are running 2 courses (Soccer School and Multi Sports) at the Montgomery Waters Meadow (Mercedes-Benz Hub) each course provides a fun, safe learning environment where children can reach their potential. During the course, we will be learning about resilience, nutrition and wellbeing alongside lots of fun activities and games.
