## Summer Holiday Fun in Shropshire

*Have fun with your friends, learn new skills, gain confidence and get involved!*

Shropshire Council is working with local schools, voluntary and community organisations, and childcare providers to run an exciting holiday programme this summer, Shropshire HAF (Holiday Activities and Food).

There are free places available on the programme for children and young people aged 4 to 16, who are eligible for benefits related free school meals and for those who have been referred onto HAF by a professional.

Children who are aged 4, who attend a nursery or pre-school are unfortunately not eligible for the HAF programme, activities are not suitable. Eligible children aged 4+, must be in full time education and have started school in Reception Class (or equivalent).

During 25 July to 2 September 2022, children and young people are invited to take part in a range of fun activities, happening at over 58 venues from across the county.

Use this Guide to find out what activities will suit your child/ren. There is something on offer for everyone, including; sports, arts, cooking, forest schools and other exciting opportunities. Free nutritious meals will be provided at each session, as well as information on nutrition to benefit the whole family.

**If you have any questions about the activities, please contact the organisation / venue directly using the contact details under their listing.**

## Booking:

All bookings for the Shropshire HAF programme are now being made through a centralised booking system at <https://haf.shropshire.gov.uk>. They are no longer being made direct through the organisations providing activity.

Your child/ren will be given a HAF Information leaflet via their school or professional. The leaflet includes a unique code. You will need to use this code when booking.

### What You Need To Do:

1. Go to <https://haf.shropshire.gov.uk>
2. Set up your account by adding your email and choosing a password.
3. Add your unique code – this is on the HAF leaflet given to you by school or will have been given to you as part of a referral.
4. Add your child/ren's details.
5. That's it! You've signed up ready for booking!
6. No internet? Just visit your local library for support.

This code entitles your child/ren to 64 hours of free holiday activity in Shropshire, as part of the HAF programme, during the summer holiday. This is the equivalent of 4 hours a day, 4 days a week, for 4 weeks.

This code is individual to your child/s school and is not transferable to other children.

### Longer Activity Sessions

Some of the holiday programmes are running for longer than the DfE funded 4 hours for eligible children and young people. Please see the individual organisation listing on the Booking System for more information.

### How do I know if my child/ren is able to access HAF activity for free?

To find out if your child/ren are eligible for a free place on the programme this summer, please speak to your child/ren's school or the professional who is supporting your child/ren.

A full list of who can access the programme for free is available at [www.shropshire.gov.uk/haf](http://www.shropshire.gov.uk/haf)

### SEND (Special Educational Needs and Disabilities)

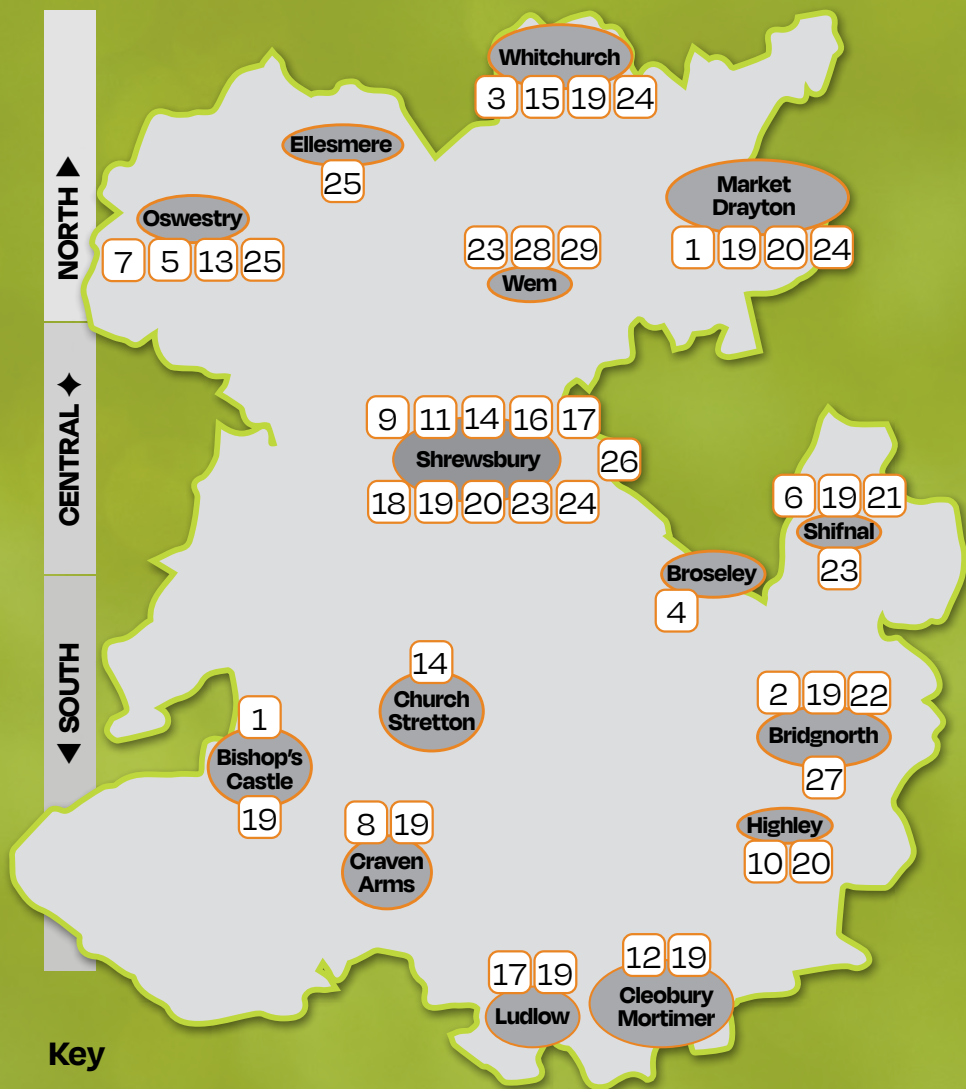

A number of providers are running inclusive activity, with places available for children and young people with SEND. These have been highlighted in the Guide. When booking onto activity, please contact the provider to discuss your child/s needs.

### Paid Places

Some of the holiday programmes also include spaces for children and young people who are not in receipt of free school meals. Please contact activity provider for more information.

## 11 Inside Out Learning

*Multi-Activity Holiday Club*

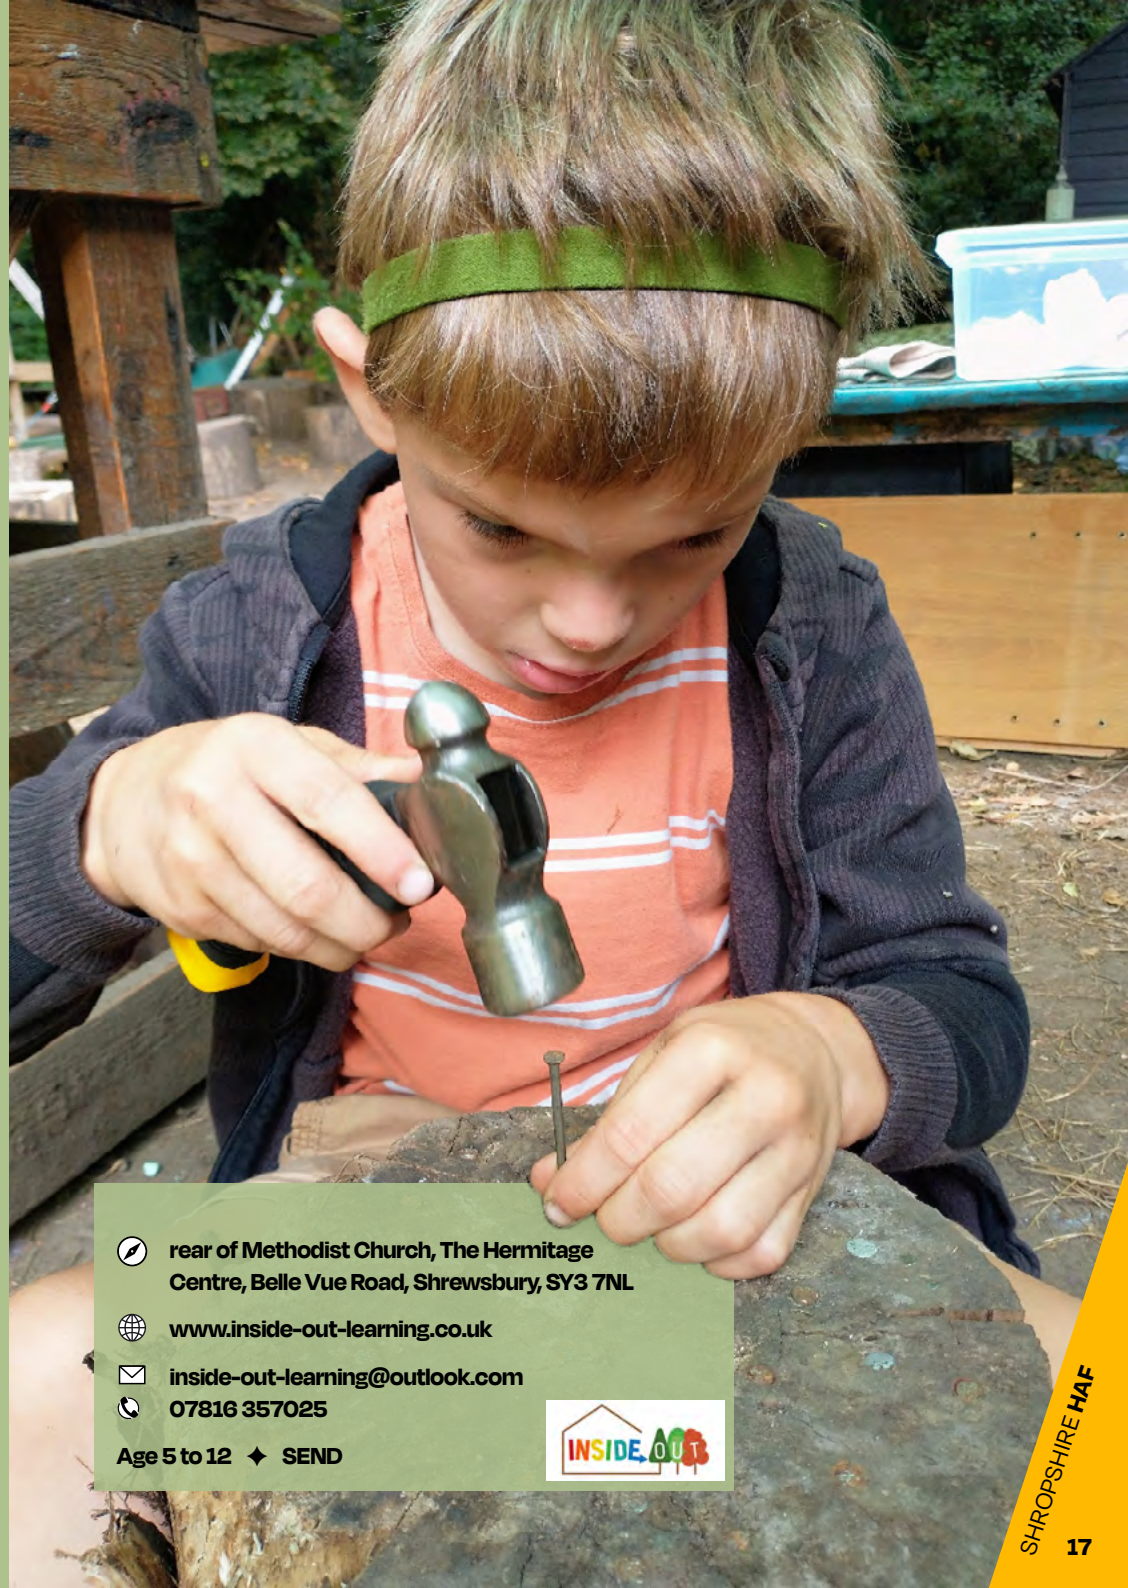

Children are taught how to look after themselves, their friends and their environment. We aim to promote healthy lifestyle choices and we encourage children to play outside, be safe, be mindful and care for the wonderful world around them.

The sessions are filled with science, nature and well-being themes. A lot of the day is spent outside in the woodland garden enjoying running, swinging, sliding, digging, making dens, creating art, using tools and enjoying treats around the campfire.

Inside, children get opportunities to engage in a wide range of activities, with lots of designing, drawing, tinkering, investigating, building and making.

We have high adult to child ratio's to ensure children are safe and happy.

Lunch is provided for all children.
