

Develop your creativity:

- ◆ Create your own soldier who has enlisted. Create his identity card. (1 raffle ticket)
- ◆ Draw an image of a soldier with labels

This half term's topic is:

'What has shaped our country?'

Explore your mathematical skills:

- ◆ Your family want to visit London as part of The Great War centenary. How much would it cost to visit London for an overnight stay? (2 raffle tickets)
- ◆ Calculate the distance your family would travel if they visited London. How long would it take? Create a timetable. (2 raffle tickets)

Extend your research skills:

- ◆ Talk to your family and find out who was involved in WW2. What were their roles? Find photos and other special objects. (2 raffle tickets)
- ◆ What is your local infantry regiment? What is their regimental badge? Write a fact file of key facts. (2 raffle tickets)

Explore:

- ◆ Explore with an adult the animations on BBC schools website. What have you learnt? Create your own animation or picture story. (2 raffle tickets)

Choose projects to achieve your raffle tickets. You can add with your own ideas too! Tick off what you have completed to achieve your points.
