

Ideas to develop your creativity:

- ♦ Make a pharaoh headdress.
- ♦ Design some jewellery fit for an Egyptian princess.
- ♦ Design a tomb for a pharaoh (2 raffle tickets).

This half term's project is...

*'What have we learnt from the Egyptians?'*

Ideas to develop your traditional skills:

- ♦ Write your name in hieroglyphics and draw images around the outside.
- ♦ CHALLENGE – Write your teacher's name.  
(2 raffle tickets).

Ideas to explore your mathematical skills:

- ♦ Collect different mathematical facts about the process of building a pyramid.
- ♦ Draw a headdress that has a symmetrical pattern (1 x raffle ticket).

Ideas to extend your research skills:

- ♦ Research about different Egyptian Pharaohs.
- ♦ Research about the discoveries of Howard Carter.
- ♦ Research about how the Egyptians prepared for the afterlife (3 raffle tickets).

Explore ideas:

- ♦ What do we have and use now that the Egyptians gave us?
- ♦ Interview someone who has visited or EVEN lived in Egypt.
- ♦ How is Egypt different too Shrewsbury? (2 raffle tickets).

Choose projects to achieve your raffle tickets.

You can add with your own ideas too! *Tick off what you have completed to achieve your points.*
