14th July 2023

Dear Parent/Carer,

I am writing to inform you that from September 2023 our kitchen will be run again by Shire Services. We will have our own kitchen team cooking fresh meals onsite each day.

There will be a slight price increase for the dinners, a school meal will now be available from £2.40 each day. Payment is as usual to the office. If you are sending your child in with money, please ensure this is in a sealed, labelled envelope.

I have attached the new menu for your information. A copy of this will also be placed under the school dinners section of the website. We will return in September on week one.

If your child has any allergies, information will be sent home in September regarding coming into school to meet the new Cook in Charge, in order to discuss your child's dietary requirements.

A reminder that if your child is currently in Year Two and not eligible for free school meals, their universal free school meal entitlement ends at the end of this term and when they start Year Three in September they will be charged for their school dinner.

I will continue to oversee the service and therefore, if you have any concerns or queries from September, please do not hesitate to contact me.

Yours sincerely

Miss H Cave
School Business Manager
