

Art and Design

Chestnut will study the work of artists who mix primary colours to make secondary colours, use white to mix tints and black to mix shades. They will make observational drawings.

Computing

Pupils will learn to use a keyboard to create, manipulate and edit text. They will begin to use animation software.

Design and Technology

Food is the focus next term. We will grow some fruit and vegetables to use in designing healthy dips and dippers from around the world.

English - Reading

Children enjoy a range of picture books. They will predict, discuss vocabulary and retrieve answers to questions about the text. We are now able to sustain listening to extended texts and novels.

English - Writing

Using their reading text as inspiration, pupils will write setting & character descriptions, letters, diary entries and short narratives. They will also learn to write poetry.

Curriculum Information for parents/carers

Year 1 – Chestnut– Summer 1

In Year 1, we aim to help the children build their independence and resilience as they become used to the greater expectation as of the Key Stage 1 curriculum. Pupils are responsible for their learning and organisation of resources in addition to looking after their personal belongings.

Geography

We will look at the physical and human features of the coast and compare them to our town. Mapping skills will enable the children to create and follow their own maps.

History

Children will uncover the history of Mary Anning 'The Fossil Hunter' and the real life superhero, Grace Darling.

Maths

Multiplication and Division, Fractions, Position and Direction, Place Value (within 100), Money and Time.

Please make sure you have a clock with hands in your home!

Phonics

We are currently working through the final stage of Phase 5. You can find help to support your child's learning here:

[Little Wandle for Parents](#)

Music

Pupils listen to a range of genres, sing and play tuned and untuned instruments during 'Your Imagination' & 'Reflect, Rewind and Replay'.

Personal, Social, Health, Economic

We will explore ways to live a healthy lifestyle, manage feelings and to understand what makes us unique.

Physical Education

TUESDAYS & WEDNESDAYS

Running, jumping and multi-skills in preparation for Sport's Day!

Religious Education

Pupils will find out how we should care for the world and for others, and why it matters.

Science

Observations will be made of the changing seasons, growing plants and the work of some famous Scientists and Inventors.
